

Privacy Policy

Effective Date: August 7, 2025

App Name: Notey

Maintained By: Individual Developer (Harshal Hirpara)

Thank you for using Notey – a personal project designed to help users record, transcribe, and replay their event memories with audio, transcripts, and photos. This Privacy Policy outlines how your data is handled and your responsibilities as a user.

If you have any questions, contact me at: hirparaharshal.57@gmail.com

1. What This Policy Covers

This policy covers how **Notey** collects, stores, and uses your data while you use the app. **Notey is not owned or operated by a company** – it is a personal project maintained by an individual.

2. Information We Collect

We collect the following:

- **Email address** (for login/authentication)
- **Audio recordings** you choose to upload
- **Photos** (including optional selfies or personal images)
- **Transcripts & Summaries** generated from your audio
- **Metadata** (timestamps, event titles, tags)

We do **not** collect sensitive data unless you choose to upload it voluntarily.

3. How We Use Your Data

We use your data to:

- Enable replay and memory features
- Generate AI-based transcripts and summaries
- Associate photos and timestamps for easy navigation
- Improve app reliability and security

We do **not** share, sell, or rent your data for commercial gain. We do **not** use your data for advertising.

4. Your Consent

By creating an account and using Notey, you voluntarily agree to this Privacy Policy and consent to the collection, use, and storage of your information as described herein. You may withdraw your consent at any time by deleting your account.

5. Data Security & Storage

- Your data is stored securely using **Supabase** (database + storage).
- We implement reasonable security measures to protect your data, including access-restricted cloud storage and encryption where possible.
- Transcripts are generated via trusted third-party models (e.g., Whisper, Gemini). Per their respective API policies, your data is not stored by them or used to train their models.

6. Responsibility for Uploaded Content

You are **solely responsible** for the content you upload.

If you choose to upload **personally identifiable information (PII)** — such as:

- A **photo of yourself or others**
- A **voice recording containing names, company info, or sensitive speech**

You acknowledge and agree that:

- You do so **voluntarily and at your own risk**
- You are responsible for obtaining **consent** from others in recordings or photos
- I, the developer, am **not responsible** for any direct or indirect consequences of uploading this content

 **If you do not want personal content in the app, do not upload it.**

7. Your Rights

You may:

- Request access to your data
- Request deletion of all your data

- Stop using the app at any time

To make any request, email me at: **hirparaharshal.57@gmail.com**

8. Data Retention

Your data is retained while your account is active. If you delete your account or request deletion, associated media and metadata will be permanently removed from the platform within 30 days.

9. Children's Privacy

Notey is not intended for or directed at children under the age of 13. We do not knowingly collect personal information from children. If we learn that we have inadvertently collected information from a child under 13, we will take steps to promptly delete it.

10. Changes to This Policy

I may update this policy occasionally. Should significant changes occur, you will be notified via an in-app notification at least 15 days before the new policy takes effect, giving you time to review the changes. Continued use of the app after this period constitutes your acceptance of the updated policy.
